

SENAI LAB, Chemical Engineering department, IIT Madras

Dated: 08.06.2022

To,
Mr. Gawtam C R,
Undergraduate, IIT Madras

Subject: Offer letter for full-time Internship, as a Design, Simulations and Image Processing Engineer for the NMRL Project, IIT Madras

Dear Mr. Gawtam C R,

Refer to your application and recent interview and discussion with our Recruitment Panel regarding your employment with our organization.

Further, we would like to offer you a full-time - Internship for NMRL Project, IIT Madras, as a Electrical and Instrumentation Engineer. Your date of joining would be on 13th June 2022. You will be placed at our Lab, MSB - 147, IIT Madras campus, and will be reporting to Mr. Niyas A, Project Associate, IIT Madras.

Duration of the internship is two months from the date of joining followed by regularization contingent on your performance during the period. You are offered Rs.5,000/- Per Month (Rupees Five Thousand only). This is strictly a contractual offer from the Project. You will get a detailed appointment letter after you join the organization.

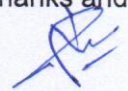

Terms & Conditions*: Working hours will be from 9:00 AM to 5:30 PM and duration: 2 Months

Please submit the following documents at the time of Joining:

1. HoD's permission/NoC letter from the college
2. Projects certificates, if any
3. Certificates / mark sheets in support of your qualifications.
4. Two Passports sized photographs.
5. Identity and Address proof. (Passport/ Driving license/ Voters ID card/ PAN card/Aadhar card).

Please sign a copy of this offer letter or reply with consent on email as a token of acceptance and confirming your joining date.

Thanks and Regards,

Niyas A
Project Associate
Dept of Chemical Engg, IIT Madras.
