Dear Gawtam,

We are still waiting on the update from Academic section.

Meanwhile, I could use some help, if you are interested in TAing for ED5315.

If you are interested, please come see me in my office tomorrow.

Regards,
Bijo

Subject: Regarding HTTA | Gawtam C R

Dear Sir,

As I was discussing with you, the required criteria for HTTA are 400+ credits and 8+ CGPA. I currently have a CGPA of 8.12 and 393 credits. I haven't met the credit requirements yet as my 6 Month internship (40 credits) is yet to be credited, but it will be done by the end of this month along with the rest of my batch. Although it would be too late as quiz 1 would already be done around that time. So I would like to know if it's possible to become a Teaching Assistant until there is an official update from the Academic Section and ED office. (Courses that I've done and would prefer to be a TA for - ED5315, ED5330, ED2040). Kindly let me know in case you require any further information. Looking forward to hearing from you.

Thanks and Regards,

C R Gawtam
