Hi Gawtam!

That is great news! Welcome to the team!

I have also heard back from one more student saying he will also be happy to join our team as a TA.

We need some more TAs so I am now opening this up to your whole batch via Whatsapp (no action needed from your side for now, will send more info soon).

Best,
Namrata

It would be my pleasure to be a TA for HHS next semester and work with you and Sridhar sir again.

Hi Gawtam!

How are you? Hope well!

I'm writing to you to ask if you'd be interested in working with us as a TA for the HHS batch run by Sridhar and me in the coming semester starting in July end. This batch will be delivered in a large group format - we will share the details once you let us know of your interest/ ability to join us.

We were very impressed by your opinions/ attitude/ participation in the course and think you'll be a positive addition to the team as a TA, and hope you'll be able to join us.

Best,
Namrata and Sridhar
